

## Assembly Instructions

# PD-1 Porch Dividers

An accessory for M-12K, MSS-8 and MSS-12

Porch dividers are designed for use with Nature House martin house models M-12K, MSS-8 and MSS-12. Dividers slip on room partition ends and extend out over porch. They are intended to prevent aggressive or older birds from dominating an entire floor of the martin house, and add privacy for birds.

M-12K

MSS-12

PD-1

### TO INSTALL:

1. Loosen door hanging tie rods 2 or 3 turns of 6-32 PAL nuts
2. Open martin house doors adjacent to where the divider is to be inserted.
3. Insert divider by sliding slot tabs over compartment partition. Slide divider down till it touches floor, as shown in photo.
4. Close doors and tighten tie rods until snug.
